

**Scotiabank Donation – November 2005**

In September, a film crew “raided” Scotiabank’s offices in downtown Oakville to “shoot” a commercial. The fee for the shoot was split between United Way and CharterAbility at the instigation of Kerith McLeod the Branch Manager; a longstanding supporter of our cause and frequent cruise guest. The Oakville Beaver was on hand in November to record the presentation of the cheque.

Our thanks to Kerith and his staff who not only give us excellent service but also support our cause.
